▶ MENTOR EVALUATION QUESTION FOR CAPTAINS

Hi Mentors! We love being able to walk with you and come alongside you throughout your mentoring journey. We're always looking for ways to better support you so thank you for taking some time to respond to the questions below!

01 Tell us about the FLOURISH journey to date? Do you feel like there is a healthy connection with you and your girls?

02 How are you doing personally in your role as a mentor and how is your relationship with Jesus?

03 What are some ways you see your girls engaging and drawing from the Word and the curriculum?

04 I'd love to know about any concerns you might have, suggestions you can offer, or prayer requests.

05 You know we love hearing about what God is doing in your life and in your FLOURISH relationships with your mentees! So use this space to share any Jesus stories with us!
